Modern fathers are a busy and diverse bunch. Some work full time, some are stay at home dads but all of them are AppJobs, even though they don't get paid for it.

There are tons of things you do for your kids as a Father that if you did for anyone else as a job you'd be a millionaire by now. So today we are looking at the AppJobs that you do for your children.

- 1. Driver**
Why do kids keep asking "are we there yet?" if the car is still moving? I guess we will never know. As a Dad one of the extra responsibilities you have is getting your kids from A to B and to every other letter in the Alphabet.
- 2. Handyman**
If it breaks you buy it, or fix it, or try to fix it, or break it again. As a Father you'll find yourself assembling
